MEMORANDUM FOR: Inspector General

SUBJECT : Agency Command and Control

1. Reference is the attached paper, subject as above, prepared by Scott Breckinridge and reviewed by the DCI Action Plan Task Group. Mr. Colby has approved the paper subject to one change, which is reflected in the amended recommendation (para 4a).

2. As originally written, this paragraph recommended as follows:

"a. That a detailed study be prepared reviewing the organizational and administrative history of the Agency, demonstrating the progress it has made to date in advancing techniques of command and control and organizational arrangements."

3. When he reviewed the paper, the DCI marked the above paragraph with the comment:

"Too big a project--Why not just the current procedures, and then recommendations for improvement."

4. It is requested that your office proceed with actions set forth in paragraph 4 of the attached paper. Mr. Breckinridge advises that [ ] already has begun to prepare materials.
